

What if you could...

Have larger and more profitable sales?

Close more of your proposals/quotes?

Receive 50% upfront on every project?

Be paid within 24 hours of installation?

Eliminate credit card fees on projects?

Have the competitive advantage?

Compete on total solution verse price?

Have all of the above?

Here's how...

Know the Benefits

- 50%-100% paid in advance to Qualified Dealers
- Quicker, easier, & more convenient than a bank
- 2-6 hour credit decisions & easy documentation
- No financials required up to \$200,000
- 100% Financing with little out of pocket
- New businesses can qualify for up to \$50,000
- Larger companies may not require a guarantee
- Does not show up on personal credit as debt
- No blanket liens on company assets or receivables
- Qualifies for same tax benefits as paying cash
- Total project financing, including installation
- 80% of companies finance some equipment

Explain the Process

- Include a payment quote with your proposal
- Client completes our application or applies online
- Horizon notifies Dealer & Client of credit decision
- Horizon reviews the terms with the Client
- Horizon emails the documents to the Client
- Client signs and returns documents to Horizon
- Horizon issues a PO & Deposit to Qualified Dealer
- Dealer orders, delivers, and installs the furniture
- Horizon verifies with the client installation
- Horizon pays the final invoice in 24-48 hours
